Notes to the financial statements

For the year ended 30 June 2021

1 Summary of significant accounting policies

(a) Basis of preparation

This financial report is a general purpose financial report that has been prepared in accordance with Australian Accounting Standards - Reduced Disclosure Requirements, other authoritative pronouncements of the Australian Accounting Standards Board and the Corporations Act 2001. Central Charlestown Leagues Club Limited (the Club) is a not for profit entity for financial reporting purposes under Australian Accounting Standards.

(b) Statement of compliance

This financial report complies with Australian Accounting Standards - *Reduced Disclosure Requirements* as issued by the Australian Accounting Standards Board (AASB).

The financial report has been prepared on an accruals basis and is based on historical costs, except for investment properties and land and buildings which have been measured at fair value. The financial report is presented in Australian Dollars.

(c) Going concern

As at 30 June 2021, Central Charlestown Leagues Club Limited has a working capital deficiency of \$266,616, represented by current assets of \$859,092 and current liabilities of \$1,125,708.

Current liabilities includes:

- (a) the Greater Bank loans being \$174,009 which is included as a current liability, however the Directors expect to repay the balance over the next 12 months utilising future positive operating cashflows.
- (b) employee leave entitlements of \$144,627 which is included as a current liability, however, the Directors do not expect to be required to settle the full amount owing to employees within the next 12 months.

The Directors have determined that the going concern basis is appropriate given:

- (a) The Club has a cash balance at 30 June 2021 of \$691,267.
- (b) The Club do not foresee any issues in continuing to meet the terms and conditions of its loans with the Bank.
- (c) The Club generated positive net operating cashflows of \$959,432 and a profit after tax of \$471,682 during the current year.
- (d) The Club has a budgeted profit of \$363,814 for the year ended 30 June 2022.
- (e) The Club has an unused Business Line of Credit facility of \$650,000 as at 30 June 2021.
- (f) The Club expects to continue to receive support from its suppliers and members.
- (g) During the lockdown period subsequent to year-end the Club worked to control costs where possible and has applied and received financial assistance under the Jobsaver Scheme. The Club has reopened and resumed trading from 11 October 2021 following the easing of restrictions.

The Directors are of the opinion the above will be achieved and the Club will continue as a going concern and meet its debts and commitments as they fall due. As a result, the Directors have prepared the financial report on a going concern basis.

(d) Goods and Services Tax

Revenues, expenses and assets are recognised net of the amount of associated GST, unless the GST incurred is not recoverable from the Australian Taxation Office (ATO). In this case, it is recognised as part of the cost of acquisition of the asset or as part of the expense.

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to the ATO, are presented as operating cash flows.

(e) Rounding of amounts

The is of a kind referred to in ASIC Legislative Instrument 2016/191, relating to the 'rounding off' of amounts in the financial statements. Amounts in the financial statements have been rounded off in accordance with the instrument to the nearest dollar.

(b) Accounting policies and significant judgements

The Club recognises revenue related to the transfer of promised goods or services when a performance obligation is satisfied and when control of the goods or services passes to the customer. The amount of revenue recognised reflects the consideration to which the Club is or expects to be entitled in exchange for those goods or services.

The Club considers whether there are separate performance obligations to which a portion of the transaction price needs to be allocated (e.g. Loyalty Points Program). In determining the transaction price for the sale of goods, the Club considers the effects of variable consideration, the existence of significant financing components, non-cash consideration, and consideration payable to the customer (if any).

(i) Food and Beverage Revenue

Revenue from the sale of food and beverages is recognised at a point in time when the physical control of the goods passes to the customer.

(ii) Gaming Revenue

Revenue from rendering services from gaming facilities to members and other patrons of the Club is recognised when the services are provided. Gaming revenue is measured at the fair value of the consideration received from the net position of the wagers placed less customer winnings paid out. Commission revenue where the Club acts as an agent for third parties who provide wagering services to members and guests is recognised at a point in time when the wagering transaction has been completed.

(iii) Membership Revenue

Membership subscriptions are recognised over the term of membership and any unearned portion is deferred and included in contract liabilities. Membership revenue is measured with reference to the fee received and the period of membership that the member has paid for.

(iv) Raffle and Bingo Revenue

Raffle and bingo revenue is recognised at a point in time when the customer takes possession of the ticket and the raffle or bingo game has been conducted as at this point the performance obligations have been satisfied.

Notes to the financial statements

For the year ended 30 June 2021

2 Revenue (continued)**(b) Accounting policies and significant judgements (continued)***(v) Other Revenue*

The Club recognises other revenue at a point in time when the performance obligation has been satisfied.

3 Other income and expense items

	2021	2020

Change in fair value of investment properties	390,000	-
	<u>944,256</u>	<u>434,915</u>

(i) Rental income

Rental income is recognised in the statement of profit or loss and other comprehensive income on a straight line basis over the term of the lease. The Club recognises rental revenue on a straight line basis with reference to the applicable CPI increases, discount rates and any relevant rental incentives.

Leases for which the Club is a lessor are classified as finance or operating leases. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

As lessor for operating leases, the Club recognises lease payments as income. The underlying asset is depreciated on a straight line basis over its expected useful life.

Rental income from operating leases is recognised on a straight-line basis over the term of the relevant lease. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised on a straight-line basis over the lease term.

(ii) Interest income

Interest income is recognised on an accruals basis.

(iii) Government Stimulus Funding

The Club recognises stimulus funding from the Australian Taxation Office when it is considered to be receivable.

(iv) Insurance recoveries

The Club recognises income from insurance claims when an insured event has occurred and the realisation of the insurance recovery is virtually certain.

(v) Gain on disposal of property, plant and equipment

The Club recognised gains and losses on disposal of property, plant and equipment by comparing proceeds received on sale with the carrying amount of the asset being sold.

(vi) Change in fair value of investment properties

The Club recognises the change in fair value of investment property based on the assessment of an independent expert, representing the non-cash gain in relation to investment properties.

(b) Other expenses

Employee Benefits Expense	1,668,282	1,721,389
Loss on disposal of Assets	2,220	13,955
Depreciation	485,040	444,849

4 Income tax expense

2021 **2020**
\$ \$

(a) Numerical reconciliation of income tax expense to prima facie tax payable

The Income Tax Assessment Act 1936 (amended) provides that under the concept of mutuality, Clubs are only liable for income tax on income derived from non-members and from outside entities. The amount set aside for income tax in the statement of profit or loss and other comprehensive income has been provided on a taxable income calculated as follows:

Operating profit/(loss) before income tax	626,792	(290,947)
Tax at the Australian tax rate at 26% (2020: 27.5%)	162,967	(80,010)
Opening tax balances adjusted for change in members percentages & tax rate	(13,180)	(341)
Apportionment adjustment members income and expenses	15,073	98,971
Non assessable income	(9,750)	(17,188)
Income tax expense / (benefit)	155,110	1,432

Accounting policy

Deferred tax assets and liabilities are recognised for deductible and temporary differences where considered material. Deferred tax assets in respect of unused tax losses are only recognised to the extent it is probable that a taxable profit will be available against which deductible temporary differences and carried forward tax losses can be utilised if material.

The carrying amount of deferred income tax assets is reviewed at each balance date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilised.

Deferred income tax assets and liabilities are measured at the tax rates that are expected to apply to the year when the asset is realised or the liability settled, based on the tax rates (and tax law) that have been enacted or substantively enacted at the balance sheet date.

Income taxes relating to items recognised directly in equity are recognised in equity and not in the statement of profit or loss and other comprehensive income.

Accounting policy**(a) Land and buildings**

Freehold land and buildings are shown at their fair value based on periodic valuations by external independent valuers, less subsequent depreciation for buildings. Freehold land and buildings were revalued on 30 June 2021 by Tew Property Consultants. Tew Property Consultants frequently assess the market values for properties similar to those held by the Club in the same areas, having regard to past sales prices of other properties and current market conditions.

Increases in the carrying amount arising on revaluation of land and buildings are recognised in other comprehensive income and accumulated in the asset revaluation reserve in equity. Revaluation decreases that offset previous increases of the same class of assets shall be recognised in other comprehensive income and reduce the asset revaluation reserve in equity. All other decreases are charged to the statement of profit or loss and other comprehensive income and reflected in retained profits.

As the revalued buildings are depreciated, the difference between depreciation recognised in the income statement, which is based on the revalued carrying amount of the asset, and the depreciation based on the assets original cost is transferred from the revaluation surplus to retained earnings.

Any accumulated depreciation at the date of revaluation is eliminated against the gross carrying amount of the asset and the net amount is restated to the revalued amount of the asset.

Freehold land and buildings that have been contributed at no cost, or for nominal costs, are valued and recognised at the fair value of the asset at the date it is acquired.

(b) Plant and equipment and poker machines

Plant and equipment and poker machines are carried at cost less any accumulated depreciation and any impairment in value.

(c) Depreciation

Depreciation is calculated on a straight line basis over the estimated useful life of the asset as follows:

Buildings	20 - 50 years
Plant & Equipment	2.5 - 20 years
Poker Machines	2.5 - 5 years

(d) Impairment

The carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate the carrying value may not be recoverable.

For an asset that does not generate largely independent cash in flows, the recoverable amount is determined for the cash generating unit in which the asset belongs.

10 Property, plant and equipment (continued)

(d) Impairment (continued)

If any such indication exists and where the carrying values exceed the estimated recoverable amount, the assets or cash generating units are written down to their recoverable amount.

The recoverable amount of plant and equipment is the greater of fair value less cost to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. Where the future economic benefits of an asset are not dependant on the asset's ability to generate net cash inflows and if deprived of the asset the Club would replace its remaining future economic benefit, value in use is determined as the depreciated replacement cost of the asset.

Impairment losses are recognised in the statement of profit or loss and other comprehensive income as a separate line item.

Net gain / (loss) from fair value adjustment	390,000	-
Closing balance at 30 June	<u>2,120,000</u>	<u>1,730,000</u>

Accounting policy

Initially, investment properties are measured at cost including transaction costs. Subsequent to initial recognition investment properties are stated at fair value. Gains or losses arising from changes in the fair values of the investment properties are included in the statement of profit or loss and other comprehensive income in the year in which they arise.

To obtain the fair value, an independent valuation is obtained by the Club from external valuers once every 3 years. Independent valuations are obtained in the intervening periods if necessary. A market valuation was performed by Tew Property Consultants as at 30 June 2021. The independent valuer frequently assesses the market values for properties similar to those held by the Club in the same areas, having regard to past sales prices of other properties and current market conditions. Gains or losses arising from changes in the fair values of the investment properties are included in the statement of profit or loss and other comprehensive income in the year in which they arise.

Investment properties are no longer recognised when they have either been disposed of or when the investment property is permanently withdrawn from use and no future benefit is expected from its disposal. Any gains or losses on the derecognition of an investment property are recognised in the statement of profit or loss and other comprehensive income in that year.

Accounting policy

Poker machine entitlements are intangible assets acquired separately and are capitalised at cost, the useful lives of these intangible assets are assessed to be indefinite. These are tested for impairment annually or whenever there is an indication that the intangible asset may be impaired. The value shown for the Poker machine entitlements, being their cost plus transaction costs, were tested for impairment having regard to the market value of such entitlements and the cash flow generated from holding these assets, with no impairment loss adjustment required.

Accounting policy

A lease is a contract, or part of a contract, that conveys the right to use an asset for a period of time in exchange for consideration. If the terms and conditions of a contract are changed, it is reassessed to once again determine if the contract is still, or now contains, a lease.

The term of a lease is determined as the non-cancellable period of the lease, together with the periods covered by an option to extend the lease where there is reasonable certainty that the option will be exercised, and periods covered by an option to terminate the lease if there is reasonable certainty that the option will not be exercised.

At inception, a right-of-use asset and a lease liability is recognised. Right-of-use assets are included in the statement of financial position and grouped in classes of similar underlying assets.

Right-of-use assets are initially measured at cost, comprising the following:

- the amount of the initial measurement of the lease liability;
- any lease payments made at or before the commencement date, less any lease incentives received;
- an estimate of costs to be incurred in dismantling and removing the underlying asset;
- any initial direct costs incurred.

At the commencement date of the lease, the lease liability is initially recognised for the present value of non-cancellable lease payments discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Club's incremental borrowing rate. The weighted average incremental borrowing rate is 4.75%.

The lease payment used in the calculation of the lease liabilities includes variable payments when they relate to an index or rate. Where leases contain variable lease payments based on an index or rate at a future point in time, the Club has only included the known CPI increases to date and not estimated future CPI-related increases.

The Club does not recognise leases that have a lease term of 12 months or less or are of low value as a right of use asset or lease liability. The lease payments associated with these leases are recognised as an expense in the statement of profit or loss and other comprehensive income on a straight-line basis over the lease term.

Accounting policy

Deferred tax assets and liabilities are recognised for deductible and temporary differences where considered material. Deferred tax assets in respect of unused tax losses are only recognised to the extent it is probable that a taxable profit will be available against which deductible temporary differences and carried forward tax losses can be utilised if material.

The carrying amount of deferred income tax assets is reviewed at each balance date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilised.

Deferred income tax assets and liabilities are measured at the tax rates that are expected to apply to the year when the asset is realised or the liability settled, based on the tax rates (and tax law) that have been enacted or substantively enacted at the statement of financial position date.

- Registered Mortgage over real property at 2, 4 and 6 Wales Street Charlestown NSW 2290

(ii) Other secured liabilities

The other loans are secured by a fixed charge over the specific assets that are financed.

Accounting policy

Financial liabilities are initially recognised at fair value, net of transaction costs incurred. Borrowing costs are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the statement of profit or loss and other comprehensive income over the period of the borrowings using the effective interest rate method.

Financial liabilities are classified as non current liabilities if the Club has a right at the end of the reporting period to defer settlement of the liability for at least 12 months after the reporting period.

Accounting policy(i) *Annual leave*

Liabilities for annual leave expected to be settled within 12 months of the reporting date, are recognised in the provision for employee benefits in respect of employees' services up to the reporting date. They are measured at the amounts expected to be paid when the liabilities are settled. Any annual leave expected to be settled beyond 12 months of the reporting date is measured at the present value of expected future payments.

(ii) *Long service leave*

The liabilities for long service leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore recognised in the provision for employee benefits and measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period. Consideration is given to expected future wage levels and period of service. Discount rates of the Australian bond rates matching the estimated future cash outflows have been used.

23 Critical accounting estimates and judgements

Management is required to make judgements, estimates and assumptions about reported amounts of assets, liabilities, income and expenses that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstance, the results of which form the basis of making the judgements. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods if the revision affects both current and future periods.

Judgements made by management that have significant effects on the financial statements and estimates with a significant risk of material adjustment in the next period are disclosed where applicable, in the relevant notes to the financial statements:

- Estimation of useful lives of non-current assets (notes 10 and 12) - The useful life of property, plant and equipment and intangible assets is initially assessed at the date the asset is ready for use and reassessed at each reporting date based on the use of the assets and the period over which economic benefits will be derived from the asset. There is uncertainty in relation to the assessment of the life of the asset including factors such as the rate of wear and tear and technical obsolescence. The useful life of poker machine entitlements classified as an intangible asset has been assessed as indefinite. There is uncertainty in relation to this assumption as it is based on current legislation and conditions attached to the entitlements. The estimates and judgements involved may impact the carrying value of the non-current assets and the depreciation and amortisation charges recorded in the statement of profit or loss and other comprehensive income should they change.
- Estimated fair value of investment properties (note 11) - The fair value of investment properties is estimated at each reporting date, based on independent assessments of the market value of the properties and the best available knowledge of current market prices. Estimation uncertainty exists and is related to the various assumptions used in determining the fair value.
- Estimated fair value of land and buildings (note 10) - The fair value of land and buildings is estimated at each reporting date, based on independent assessments of the market value of the property conducted at least every three years and other available knowledge of current market prices. Estimation uncertainty exists and is related to the various assumptions used in determining the fair value.

24 Subsequent events

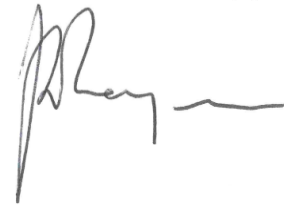

From 5 August 2021 the Club was required to close again due to lockdowns imposed as a result of the COVID-19 pandemic. The Club controlled costs throughout this period of closure and reopened and resumed trading from 11 October 2021 following the easing of restrictions.

Directors' declaration

In the Directors' opinion:

- (a) the financial statements and notes set out on pages 6 to 21 are in accordance with the the Corporations Act 2001, including:
- (i) complying with Australian Accounting Standards - Reduced Disclosure Requirements, the Corporations Regulations 2001 and other mandatory professional reporting requirements, and
 - (ii) giving a true and fair view of the Club's financial position as at 30 June 2021 and of its performance for the financial year ended on that date, and
- (b) there are reasonable grounds to believe that the Club will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Directors.

Independent auditor's report to the members of Central Charlestown Leagues Club Limited

Opinion

We have audited the financial report of Central Charlestown Leagues Club Limited (the Club) which comprises the statement of financial position as at 30 June 2021, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, notes to the financial statements, including a summary of significant accounting policies, and the Directors' declaration.

In our opinion, the accompanying financial report of the Club is in accordance with the Corporations Act 2001 including:

- (i) giving a true and fair view of the Clubs financial position as at 30 June 2021 and of its financial performance for the year then ended; and
- (ii) complying with Australian Accounting Standards - Reduced Disclosure Requirements, the Corporations Regulations 2001 and other mandatory professional reporting requirements.

Basis for opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial report section of our report. We are independent of the Club in accordance with the auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of the Directors for the financial report

The Directors of the Club are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards – Reduced Disclosure Requirements and the Corporations Act 2001 and for such internal control as the Directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Directors are responsible for assessing the Club's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Club or to cease operations, or have no realistic alternative but to do so.

Matters relating to the electronic presentation of the audited financial report

The auditor's report relates to the financial report of the Club for the year ended 30 June 2021 included on the Club's web site. The Club's Directors are responsible for the integrity of the Club's web site. We have not been engaged to report on the integrity of this web site. The auditor's report refers only to the statements named above. It does not provide an opinion on any other information which may have been hyperlinked to/from these statements. If users of this report are concerned with the inherent risks arising from electronic data communications they are advised to refer to the hard copy of the audited financial report to confirm the information included in the audited financial report presented on this web site.
